DESIGN BUILD

## Welcome to the Estate Homes client family!

We are very excited to work with you. This will be a great experience, and your home will be beautiful when we are finished.

Our number one priority is client happiness and satisfaction. Throughout the design-build process we will regularly ask you if you are happy with the service we are providing. If the answer is ever no, we want to know right away so we can take steps to make things right.

Ultimately our goal is for you to be so satisfied with your experience that you will be happy to recommend us to friends, family, and colleagues. We know of no better way to measure a job well done.

Thank you for your trust and your business. Please feel free to reach out to us at any time if you have any questions.

Sincerely,
